

# **Roy**

**Life is so simple. . .**

**You're my best friend & I'm yours.**

**You can read my mind & I can read yours.**

**We are the perfect match, always there for each other  
in good times and bad.**

**I will love you til the end of time & if you could talk in  
human language you would say. . .**

**'Forever & ever'.**

**Anne Cashman, Ennis**
